## Hope School

A new School year has started and we are happy to announce that three new teachers have joined us as well as a new staff member and two

volunteers. We wish all of them the very best!

The students are looking forward to exploring and learning new subjects as well

as enjoying their friendships with their classmates, and the teachers are looking forward to getting to know their new students and challenging them to give their best. They would like them to be successful and become well educated.

Of the senior students who took their final exams, 85% passed and many of them are continuing their education at a university. We are very proud of them.

The elementary school continues to grow and a third grade has been added to the curriculum this year as was planned. The

addition of the elementary school has been a blessing to all of us and a special class for students who need extra help is an option at Hope School that not many schools offer.

Our total number of students is 151 and we are working hard to help them succeed. For some students Hope School is their last chance and we are grateful

to give them that chance, but without your financial sponsorship we could not accomplish what we do.

We greatly thank you for your support.

Sincerely,  
Yvonne & Nadia

### Prayer Requests

- Blessings and success in this new year

- Peace in the land

- That our children may be blessed this year

- That we would be able to serve the students well

**Blessed is the one who considers the poor. In the day of trouble the Lord protects him and keeps him alive; he is called blessed in the land; you do not give him up to the will of his enemies. Psalm 41:1-2**
