

CHRISTMAS IN BETHLEHEM 2018

Christmas is a very distinct occasion in Bethlehem; people from around the world come to join the great event, and to confirm that the Prince of Peace was born in a humble manger in a small cave in Bethlehem city to save our souls and defeat the sin. On the first of December; thousands of people made their

way to Manger Square and gathered around the gigantic Christmas tree, to welcome in the holiest event... of the Christian world;

Locals and pilgrims, wrapped up in their coats and beanies, listened to speeches from the likes of the Mayor of Bethlehem Mr. Anton Salman, and the Prime Minister, Dr. Rami Hamdallah, with many others including top officials from the different churches. It was an amazing moment full of joy and cheer when the tree was lit.

Leading up to the lighting of the square, there were also musical performances, fireworks and creative nativity videos.

**We wish you
A Merry Christmas and Happy New
Year...**
*Peace, joy, and love to you and your
family.*

We grab this opportunity to;

Pray for peace in the Holy Land and the whole world... Pray for the poor and destitute children... Pray for the volunteers who are working to light the darkness, spread the word, and make the dreams of the poor come true.
