

Welcome to our newly opened Kindergarten at Hope School!

We are excited to be welcoming around 15 new Kindergarten students to begin with this year!

Kindergarten is an exciting time for children and their families and we are looking forward to working in partnership with you – our dear friends - to support the learning and development of our newest and youngest students!

Randa, our newly hired kindergarten teacher, is a well educated and trained teacher. She has been working hard for the last couple of months setting the foundation of educational material recourses suitable for gaining confidence and skills, enabling the Kindergarten students to participate fully in a Full Day Kindergarten classroom environment. The teachers and staff of Hope School are working hand in hand to assist the teacher and make it all suitable to welcome these youngsters.

In this huge step and milestone in the life of Hope School, we ask you to join us in prayers for the youngsters, Kindergarten teacher and all the staff of Hope School. The kindergarten is still in its beginnings and there are lots of things that need to be done and supplied. Please keep us in your thoughts and prayers.

Mark your calendars on September the 1st! . it is the first day for the youngsters at Hope School Kindergarten. We request your special prayers for this day.

Blessings
Khader Saba/ Director
