

New school year 2016-2017

On August 27th, Hope School opened its doors to announce the beginning of a new school year. Students, both boys and girls, filled the playground and halls of the school in the morning. Old and new students greeted each other and greeted their teachers after a long summer holiday.

This year we have around 120 students, thirty of them are joining us for the first time; we wish them all the best. The boarding section has fifteen students this year, we are planning to increase that number as soon as the current renovation of the new residence building is completed. We are delighted to have these boys in our boarding section, and we will be sure to provide a loving home for them.

As we continue to grow, the financial burden gets heavier. We approach you to help us as we welcome fifteen youngsters to start the first ever class of kindergarten at Hope School.

This year we will also start a second class of special education for those students who have learning difficulties and can't keep up with regular classes. Last year's class was a successful effort: through the hard work of our dedicated teachers, a number of students have developed academically and will join the regular class at the beginning of September. We want to keep the hopes and expectations of those in our care, high. Their future depends on us and depends on your prayers and support.

Hope School is not just a school and a home for deprived children. We stand to be a Christian witness in the land of our Lord and Savior. Through our faith and teachings we have and will continue to change the lives of the marginalized youth for the better. We ask you here for special prayers at this time of need. May our dear Lord provide for us as we start a new chapter in the bright life of Hope School.

God promises that he hears and actively responds to prayers as we come to him in the name of Jesus. We ask you to come to Jesus and pray for:

- Please pray for the students as they begin a new school year.
- Please pray for our Lord to give the staff and the administration the faith and wisdom to lead the school in His name.
- Please pray for our Lord to protect and guide the boarders as they improve their lives by joining Hope School's boarding section.
- Please pray for our kindergarten youngsters to gain confidence and skills as they enter their first days of school life.
- Please pray for our special education students who are working hard to reach their full potential.
- Please pray for our Lord to Let sponsors come to our way as our needy students are in deep need for sponsors to care for them and help them.
- Please pray for our loyal friends and supporters who are the soul of the school.

May God bless each and every one of you. *Please don't hesitate to contact us; we love to hear from you.*

*In His name,
Khader Saba
Director*
